SCAN ME

Experience

2023-2024
Web Developer - Open for Work
Career Transition

2018 - 2023
Uber | Private Hire
Driver

Experienced Uber driver known for exceptional customer service, safe rides, and professionalism. Skilled in navigation and providing a comfortable experience. Excellent communication and friendly demeanor. Committed to passenger satisfaction and maintaining a clean vehicle. Flexible and adaptable. Dedicated to delivering a seamless ride-sharing experience.

2015 - 2018
JS Marketing | Men's Clothing Retailer
Manager

Manage a team of warehouse employees, assigning tasks and responsibilities, monitoring performance, and providing training and support as needed.
It is important to maintain a safe and efficient work environment, enforce company policies and procedures, and handle any issues or conflicts that arise. In addition to managing day-to-day operations, I maintain accurate records of inventory levels, monitor product demand, and work closely with other departments such as sales and marketing to ensure timely fulfilment of customer orders. Strong communication skills, attention to detail, and a solid understanding of logistics and inventory management principles are essential for success in this role.

2011 - 2015
